Hotel/Travel

The Gulf Region Conference Steel-Con 2018® this year is in the beautiful Houstonian Hotel, Club & Spa. Located on an 18-acre wooded oasis in the heart of downtown Houston and alongside the beautiful Memorial Park, the hotel offers comfort, elegance and exceptional service plus access to one of the nation's top ten fitness centers, The Houstonian Club, a 125,000 square-foot facility - in addition to Trellis, The Spa, which offers 17,000 square feet of relaxation space. Within two miles is the Galleria where the hotel's private shuttle can take you for shopping, dining and entertainment. The free shuttle runs between 10:30 AM and 8:00 PM every 1.5 hours between the Hotel and the Galleria.

The AIIS Golf Tournament will take place at the Wildcat Golf Club on the Lakes Course. Wildcat rivals the country's finest private clubs. Its unique window on the Houston skyline makes it the perfect venue for any business outing. Only ten minutes from downtown, Wildcat rises from the flat Texas terrain to create a golf experience like no other in the area with 500-plus acres of dramatic elevation changes, rising as high as 100 feet, tumbling fairways amidst wetlands and natural grass fields, acres of seemingly countless lakes, and spectacular up-close panoramas of the Houston skyline. On the more traditional Lakes Course, renowned architect Roy Case has combined playability with exciting challenges to provide golfers a delightful golf experience regardless of skill level. Please note: Metal spikes are prohibited at the Wildcat Golf Course.

The Houstonian is about a 30-minute drive from either the Houston Intercontinental Airport or Hobby Airport, while downtown is only 7 miles away. When traveling from the airport to the hotel, the hotel's concierge recommends taking a taxi cab. Be sure to ask for a "flat rate" which is approximately \$49 for up to four people.
