**UNOPPOSED MOTION FOR ORAL ARGUMENT**

Pursuant to Rule 7(c) of the Rules of this Court, Plaintiffs the American Institute for International Steel, Inc., Sim-Tex, LP, and Kurt Orban Partners, LLC hereby file this motion for oral argument in this action.

Plaintiffs believe oral argument is desirable in this action, which presents a constitutional claim under the non-delegation doctrine. Plaintiffs believe that oral argument will assist the Court in its analysis of the issues presented in the parties’ briefs and will provide the Court with the opportunity to question the parties about issues of particular significance to the Court. In view of the continuing harm to Plaintiffs from the tariffs on imported steel that are the subject of this action, Plaintiffs further request that this Court schedule oral argument as expeditiously as possible.

Pursuant to Rule 7(b), Plaintiffs consulted with the other parties to this case prior to filing this motion. Specifically, on October 4, 2018, Tara Hogan, counsel for the Defendants, United States and Kevin K. McAleenan, Commissioner of U.S. Customs and Border Protection,

indicated that the Government takes no position on the motion, and defers to the Court as to whether oral argument is required.

For the reasons discussed above, Plaintiffs respectfully request that this motion be granted and that the Court schedule oral argument in this case. A proposed order is attached.

Respectfully submitted,

/s/Donald B. Cameron
